PROFILE

Film & Television Editor with experience creating compelling stories through dynamic visuals to deliver captivating content of the highest quality. Possesses a high level of technical and creative expertise in all aspects of editing short and long-form video content, and naturally engages with peers to foster a collaborative creative process. Demonstrates an unwavering commitment to delivering multiple projects simultaneously in fast-paced environments.

CAREER HIGHLIGHTS

- Highly experienced in collaborating with diverse creative teams on a variety of project formats, including television, live television, web, comedy, promos, and more
- Recently worked as the Lead Editor for Mark Rober's "Revengineers", for Discovery
- Worked as Lead Editor for three seasons of truTV's "Impractical Jokers," helping create the show's format, overseeing Edit Staff, and creating all graphics packages
- Served as Senior Editor of Nickelodeon Digital Animation Studio, overseeing Avid and FCP edit suites and the Studio's tech core
- As Lead Editor for "Start Talking with Scott Rogowsky", helped shape the format of the show and all comedy pieces
- Worked on the fast-paced show game show "Jason Bigg's Cash at Your Door" for E!
